

REMARKS

Reconsideration of the present Application in view of the following remarks is respectfully requested.

In this Amendment, claim 1 has been amended to correct the typographical error.

Claim Rejections-35 U.S.C 103

The Examiner's rejection of claims 1-3, 5-8, 9, 10-12, and 14-17 by applying the teachings of *Campbel let al.* (6354709), and *Mullen et al.* (US 2005/0141243) is noted. However, Applicant believes that *Mullen* may not be used as a prior art in rejecting the claims of the instant application because the instant application claims priority from Korean application 10-2003-0044316, filed on July 1, 2003, which antedates the publication date, June 30, 2005 of *Mullen*. A sworn English translation of the priority document, for perfecting the priority claim, is submitted herewith. Therefore, it is believed that *Mullen* is not prior art under 35 U.S.C 102(a) and/or 102(e), and hence cannot be applied.

At least because of the above reasons *Mullen* does not qualify as prior art applicable under 35 U.S.C 103 (a). Therefore, the Examiner is respectfully requested to withdraw the rejection of claims.

Conclusion:

Applicant respectfully submits that all claims are now in condition for allowance. Early and favorable indication of allowance is courteously solicited.

The Examiner is invited to telephone the undersigned, Applicant's attorney of record, to facilitate advancement of the present application.

Serial No. 10/562,263

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
